

The year 2015 will mark the T.M.C. Asser Instituut's
50th anniversary

In line with our academic community organising mission
4 symposia will be organised looking ahead at new perspectives
in the areas of research covered by the Institute:

19 March

Private International Law Symposium on
"International Civil Procedure and Brussels Ibis"

23 April

European Law Symposium on
"Better Regulation in the EU revisited. Improving the European
Union for the benefit of business and citizens"

18 June

International and European Sports Law Symposium on
"20 years later: the Legacy of Bosman"

15 October

Public International Law Symposium on
"International Legal Aspects in Countering Piracy"
