The Hague

Summer Programme on International and European Environmental Law: *Facing the Challenges?*

The T.M.C. Asser Instituut offers a new, uniquely designed and intensive one-week Summer Programme on international and European environmental law.

**Are you interested in how International and European
Environmental Law work in practice?**

Come and join the Summer Programme to gain a unique insight in topics such as climate and energy law, liability for environmental hazards, sustainable management of natural resources, the 7th European Environmental Action Plan, and environmental protection under the EU-USA Transatlantic Trade and Investment Partnership (TTIP).

Fee: € 1500,-
Organisers: T.M.C. Asser Instituut, EEL network and HELF
Registration: www.asser.nl/SummerProgrammeEEL
Contact: educationtraining@asser.nl
