b) On 25 July 2007, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff took under escort the captured HVO members who surrendered the arms and who surrendered themselves, and civilians of Croat ethnicity to that school and on that occasion they beat them, insulted them and abused them in different ways. When they took them to the school, they ordered them to enter the gym of the school and on their coming in they beat them with rifle butts, punched them and kicked them and then they ordered them to lie down on their stomachs on the floor of the gym. When the detainees did so, the members of the Bugojno Army Joint Command kept on beating them all over their bodies and abusing them mentally. [REDACTED] and others were thus beaten and abused. During the abuse and after that, they took away their valuables, personal documents, clothes and footwear and ordered them to line up and head towards the Gymnasium building in Bugojno, which the prisoners did. While they were being taken under escort, the members of the Bugojno Army Joint Command punched them, kicked them, beat them with rifle butts forcing the prisoners to utter the words "Tegkbir" and "Allahu egber" aloud, which the prisoners did,

5. in the *Slavonija DI* Furniture Showroom in Bugojno

a) During the period between 24 July 1993 and mid-August 1993, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff, including Šaćir Duraković and Ened Vrban, took detainees out of the basement premises of that Furniture Showroom in which under inhumane conditions they had incarcerated around 150 members of HVO and civilians of Croat ethnicity who were not provided with sufficient food, water, adequate and necessary medical care, standards of hygiene as the water on the floor reached the height of their ankles, or they called them to come to the ground floor of that Furniture Showroom and then physically and mentally abused them in such

way that they punched them, kicked them and hit them with metal objects, police batons and other blunt objects all over their bodies, inflicting bodily injuries on them. Thus, on several occasions, they took out or called out and abused the following persons: [REDACTED]

[REDACTED] Witness "D" and [REDACTED] who succumbed to the injuries sustained during the abuse,

b) During the same period as in the previous Count, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff took out of the basement premises of that Furniture Showroom the detained civilians of Croat ethnicity and HVO members and brought them to the premises of the Bugojno Health Centre where they forced them to give their blood for the needs of injured members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff. Nurses at the Health Centre took the blood from the detainees who were brought there against their will. Thereafter, the detainees were brought back to the Furniture Showroom and detained again,

c) During the same period and in the same place as in the previous Count, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff took detainees, including [REDACTED] Witness "D" and [REDACTED] out of that Furniture Showroom to the forced labour in the settlement of Vrbanja. The forced labour consisted of digging up the graves and burying the killed members of the ARBiH and civilians of Bosniak ethnicity. During the forced labour, detainees were physically and mentally abused in such a way that the members of the Bugojno ARBiH and civilians of Bosniak ethnicity who were present insulted them, punched them, kicked them, beat them with rifle butts and with other blunt objects all over their bodies, whereupon they brought them back to the basement of that Furniture Showroom and detained them again with the injuries sustained thereof, whereas they took [REDACTED] to the Bugojno Health Centre because of the injuries sustained,

d) During the same period and in the same place as in the previous Counts, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff, including Nijaz Bevmja, treated in an inhumane manner and physically and mentally abused the detainees [REDACTED] and others in such a way that they took them out of the basement of that Furniture Showroom and brought them to the ground floor or took them out of the building of that Furniture Showroom, lined them up and pulled a trigger of unloaded rifles that were aimed at the detainees and fictitiously fired the rifles at the detainees. On one occasion, when detainees were taken out and treated like that, [REDACTED] was beaten up in such a way that, after the fictitious execution by firing squad, one member of the Bugojno Army Joint Command struck him in the kidney region with a rifle butt,

e) During the same period as in the previous Count, after Enes Handžić had come in that Furniture Showroom and after the detainee [REDACTED] had come out of the basement to be taken out of the Furniture Showroom and incarcerated in the *Vojin Paleksić* Primary School, he ordered [REDACTED] to get into the rear part of a truck which was parked in front of the Furniture Showroom, which he did; members of the Bugojno ARBiH drove the truck as far as the *Marxist* Centre where [REDACTED] who had evident injuries all over his body from the beating by members of the Bugojno Army Joint Command, was

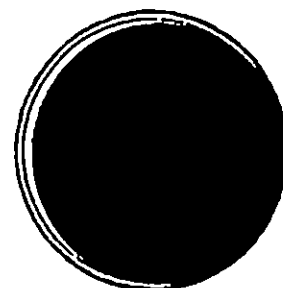

forced into the rear part of the truck. In the further course of the ride, in the rear part of the truck were forced [REDACTED] who also had evident injuries all over their bodies from the beating by members of the Bugojno Army Joint Command, and a number of civilians. They were all transported as far as the *Vojin Paleksić* Primary School where the members of the Bugojno ARBiH ordered them to come out of the truck. When they did so, the Bugojno ARBiH members made a gauntlet by forming a double line behind the truck and in front of the school entrance, leaving the space between. Then they ordered the detainees to go through that passage and come into the school. While the detainees were running the gauntlet, they were beating them from both sides all over their bodies, whereupon they incarcerated them in the gym of the school.

6. in KSC /Cultural and Sports Centre/ in Bugojno

a) During the period between 24 July 1993 and early August of the same year, members of the Bugojno ARBiH and military police of the 307th Brigade of the ARBiH incarcerated more than 100 civilians of Croat ethnicity and held them detained in the Cultural and Sports Centre under inhumane conditions, without food and water; they captured those civilians after the HVO members and civilians of Croat ethnicity who were in the *Kalin* Hotel had surrendered to the Bugojno Joint Command,

b) In the latter half of July 1993, after Vlatko Kapetanović had been taken out of the *Marxist* Centre, Enes Handžić ordered two members of the military police of the 307th Mountain Brigade of the ARBiH to take the captured [REDACTED] from the *Marxist* Centre to the premises of the KSC where, until moving into new premises, there was the Military Security Service of the 307th Brigade of the ARBiH and the military police of the 307th Brigade of the ARBiH, and bring him to his office. The members of the military police did so in such a way that they went to get [REDACTED] who, due to the injuries sustained during the beating and abuse, was in a very bad state of health, so the members of the military police took [REDACTED] in his underwear under escort through the town of Bugojno, from the *Marxist* Centre to the KSC, and brought him to Enes Handžić's office where one of the police officers struck [REDACTED] several times in the presence of Enes Handžić. Afterwards, Enes Handžić gave a typed statement to [REDACTED] to sign it. In that statement, the latter confessed that he was a war criminal. When [REDACTED] started reading the statement he said that he would sign everything only for them to stop abusing him. Enes Handžić said to him that he certainly would not get out of captivity alive, and then he ordered the military police officers to return /sic/ to the *Marxist* Centre,

c) During the same period as in the previous Count, Enes Handžić ordered the military police officer Abdulah Duvnjak aka Dudo and other Bugojno ARBiH members to bring in the detainees [REDACTED] from the *Slavonija DI* Furniture Showroom, which they did. When they brought [REDACTED] in the KSC premises, they separated them in such a way that the members of the Bugojno ARBiH took [REDACTED] to the KSC gym, whereas Abdulah Duvnjak took [REDACTED] to the Enes Handžić's office. Thereupon, Enes Handžić said to Abdulah Duvnjak, "Why didn't you slit his throat?", cursing [REDACTED] mother. Abdulah Duvnjak took [REDACTED] under escort back to the Furniture Showroom then, whereas [REDACTED] remained detained on the KSC premises.

d) During the same period as in the previous Count, members of the Bugojno ARBiH struck at [REDACTED] whose health state was very poor, a number of times in the region of kidneys and the neck spine while they were taking him under escort to the Culture and Sports Centre in Bugojno and then they incarcerated him on the KSC basement premises,

e) During the same period as in the previous Count, Bugojno ARBiH members incarcerated on the KSC basement premises and held detained the civilians of Croat ethnicity and HVO members who surrendered weapons and themselves, including [REDACTED] and others, from whom Enes Handžić and other members of the Bugojno ARBiH took statements. While taking the statements, military police officers beat and humiliated the detainees [REDACTED] and the others, whereas during the examination Enes Handžić forced [REDACTED] to reveal to him where his personal weapon and a large amount of money were stashed, and when [REDACTED] admitted where his weapon and 10,000 German Marks were stashed, he took [REDACTED] to his house and took away his money and weapon. Thereupon, he ordered the Bugojno ARBiH members to return and detain [REDACTED] on the KSC basement premises, which they did,

f) During the same period and in the same place as in the previous Count, the member of the military police of the 307th Brigade of the ARBiH Abdulah Duvnjak aka Dudo ordered [REDACTED] to collect pieces of glass on the KSC premises, barefoot and with his bare hands, as well as garbage in front of the KSC, which [REDACTED] did. On the occasion of coming out into a corridor, Abdulah Duvnjak was striking [REDACTED] with a baton while kicking him at his back, in the kidney region, and all over his body, whereas a member of the Bugojno ARBiH aka Đipsi abused [REDACTED] physically and mentally in such a way that he beat him all over his body and he broke off his rosary from his neck and threw it away,

g) During the same period and in the same place, Bugojno ARBiH members ordered the detainees [REDACTED] to take off their shoes and walk over the broken pieces of glass lying on the floor, and then to clean the broken glass, whereupon they detained them on the KSC basement premises,

7. in Health Care Centre – War Hospital in Bugojno

During the period from 19 July 1993, more specifically during the medical treatment of [REDACTED] due to injuries sustained during the abuse by the members of the Bugojno Army Joint Command and during the medical treatment of the other injured detainees of Croat ethnicity at the Health Care Centre – War Hospital Bugojno, until about October 1993, members of the Bugojno SJB, Bugojno ARBiH, Bugojno Defence Staff and civilians of Bosniak ethnicity, on a number of occasions, stormed into the sick room with the injured detainees and abused them physically and mentally: punched them, kicked them, beat them with rods, pistols and with blunt objects all over their bodies, and they pulled a drain out of a [REDACTED] wound forcing him to drink a liquid from the drain,

8. in front of Ljubljanska banka in Bugojno

During the period between 18 July 1993 and about 25 July 1993, members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff, with the intention of forcing the HVO members who were at the Ljubljanska banka Bugojno to surrender, brought in front of the Ljubljanska banka [REDACTED] whom they ordered to call HVO members to the Ljubljanska banka to surrender, which [REDACTED] did. As the HVO members had not surrendered after the repeated call, one of the Bugojno SJB members put a pistol against the [REDACTED] head, shot a bullet and deprived him of his life.

9. in the camp at FC *Iskra* Stadium in Bugojno

During the period between the establishment of the camp at the FC *Iskra* Stadium in August 1993 to mid /sic/19 March 1994, members of the Bugojno ARBiH and the civilian authorities of the Bugojno Municipality, Bugojno Defence Staff and Bugojno SJB, incarcerated and held detained more than 300 men of Croat ethnicity in the camp at the FC *Iskra* Stadium in Bugojno. The men were detained on unfit premises in which the standards of hygiene were beneath the dignity of any man and in which detainees did not have sufficient food, water and necessary medical care. During the period between the establishment of the camp and about mid-November 1993, Enes Handžić ordered and approved of taking a great number of detainees out of the camp to the forced labour in Bugojno where they cleaned the streets, cut the woods for the needs of members of the Bugojno ARBiH and performed other different physical jobs, or he ordered and approved of their taking to the front lines held by the RBiH Army against the Republika Srpska Army and HVO in the direction of Donji Vakuf, Gornji Vakuf/Uskoplje, and also in the direction of Kupres, more precisely, the places of Podripci, Sabljari, Pajić Polje, Donja Hrasnica, Gornja Hrasnica, Pirići, Duratbegović Dolac, Garačački Podovi and other places where the detainees dug trenches, communication trenches and dugouts where there was a lot of shooting and the detainees were also used as "human shields"; during those works a number of detainees, including [REDACTED], sustained bodily injuries. When the detainees were returned to the camp, they were not provided with adequate medical care. At the same time a great number of detainees were physically and mentally abused in the camp by the guards in that camp or by other members of the Bugojno ARBiH who were allowed by the guards to enter the camp only to beat the detainees of Croat ethnicity who were beaten up in such a way that the guards, and sometime the Commander of the guard, took them out of the premises on which they were detained into the corridor of the Stadium, at the open stands of the Stadium or on the pitch of the Stadium where the guards and members of the Bugojno ARBiH punched them, kicked them and beat them with blunt objects all over their bodies. The following persons were abused in such way: [REDACTED]

[REDACTED] and other detainees. During the same period, Senad Dautović planned, aided and instigated the operation of the camp of the FK *Iskra* Stadium in such a way that he subordinated Bugojno SJB members and handed them over to the camp warden and the military police of the 307th Brigade of the ARBiH. During the period from about mid-November 1993 to 19 March 1994, Senad Dautović ordered and approved of taking the detainees out of the camp for the forced labour in Bugojno where they cleaned the streets, cut the woods for the needs of the Bugojno ARBiH members and performed various other physical jobs. During the same period, a large number of detainees in the camp were physically and mentally abused by guards in that camp or by other members of the Bugojno ARBiH

whom the guards allowed to enter the camp only to beat the detainees of Croat ethnicity who were beaten up in such a way that the guards, and sometimes the Commander of the guard, took them out of the premises on which they were detained into the corridor of the Stadium, at the open stands of the Stadium or on the pitch of the Stadium where the guards and members of the Bugojno ARBiH punched them, kicked them and beat them with blunt objects all over their bodies. In such a way, the following persons were abused: [REDACTED] and other detainees.

II. ENES HANDŽIĆ

I. in *Vojin Paleksić* Primary School in Bugojno

a) During the period between the end of July 1993 and about mid-August of the same year, Bugojno ARBiH members incarcerated and held detained in the gym of this school in Bugojno more than 250 captured HVO members and civilians of Croat ethnicity who were not provided with adequate food, water, standards of hygiene and medical care for the injuries sustained while being subjected to physical and mental abuse by BiH /sic/ ARBiH members,

b) During the same period and in the same place as in the previous Count, Bugojno ARBiH members physically and mentally abused the captured civilians of Croat ethnicity and HVO members in such a way that they took them out of the gym in which they were detained, or called the roll in order for them to come out, and then in a classroom of that school they punched them, kicked them, struck them with rifle butts and with other blunt objects all over their bodies. Thus, [REDACTED] and other detainees were repeatedly abused, whereas the detained [REDACTED] had his leg broken during the beating.

c) During the same period and in the same place, on an undetermined date, late at night, Bugojno ARBiH members called the detainee [REDACTED] by his first name and family name, and when [REDACTED] came by the entrance into the gym, two members of the Bugojno ARBiH took his arms and got him out into the schoolyard where four more members of the Bugojno ARBiH were waiting for them and then the two Bugojno ARBiH members, who had taken him out of the building, pushed [REDACTED] forward so that he stumbled and fell down on the ground. Then, all the Bugojno ARBiH members who were present there started kicking [REDACTED] and beating him with batons from all sides. Due to those blows [REDACTED] lost his consciousness and recovered later in the gym.

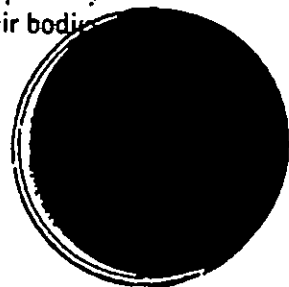

d) During the same period, Bugojno ARBiH members took detainees of Croat ethnicity out of that school and led them to the place of Prusac for the forced labour lasting for several days. The forced labour implied digging the trenches and communication trenches, and performing different other works for the needs of the ARBiH. Thus, [REDACTED] and the others were taken away, whereas the other detainees, including [REDACTED] and [REDACTED], were taken out of that school for the forced labour and were made to perform the works around the school itself and in the town of Bugojno and neighbouring

places; the forced labour implied covering the trenches with earth and carrying the sacks filled with sand, collecting the corpses, digging out the graves for corpses and burying the corpses, physical works at the KC *Iskra* Stadium and other works.

e) During the same period, after the members of the military police of the 307th Brigade of the ARBiH Enis Sijamija, Abdulah Duvanjak aka Dudo and Mithat Mulaefendić aka Mito had taken [REDACTED] out of the *Vojin Paleksić* Primary School and put him in a vehicle driven by Abdulah Duvanjak, they also took Sabahudin Gazić from the school with them, they arrived in front of the KSC. After Enis Sijamija and Sabahudin Gazić had entered the office of Enes Handžić and Abdulah Duvanjak and Mithat Mulaefendić had remained in the car with [REDACTED] Enes Handžić ordered Enis Sijamija to murder [REDACTED] and said to Sabahudin Gazić: "You'll go as a security guard"; whereafter Enis Sijamija and Sabahudin Gazić returned to the car and they all transported [REDACTED] to an old village road in the vicinity of the village of Ždralovići where Enis Sijamija ordered the driver to stop the car and [REDACTED] to get out of the car, which the latter did. Enis Sijamija, Mithat Mulaefendić and Sabahudin Gazić got out of the car and they all started following [REDACTED] as far as a thicket, some 100 meters away from the vehicle. Enis Sijamija ordered [REDACTED] to stop, and Mithat Mulaefendić ordered him to turn his face towards them, while Sabahudin Gazić was watching everything, and then Enis Sijamija started drawing a pistol from the holster, but Mithat Mulaefendić fired in rapid succession from an automatic weapon in the direction of [REDACTED] who fell down on the ground due to the shots. Thereafter, they returned to the car where Abdulah Duvanjak was waiting for them and came back to Bugojno in front of the *Šipud* building just across from the Bugojno MUP /Ministry of the Interior/ where Enis Sijamija gave a military police officer a note which he had previously received from Enes Handžić to take [REDACTED] out of the building, which that police officer did. They brought [REDACTED] into a vehicle and transported him near the "Šehit" hill, in the vicinity of the place where they had murdered [REDACTED] before. Enis Sijamija ordered a driver to stop the vehicle and Enis Sijamija, Sabahudin Gazić, Mithat Mulaefendić and [REDACTED] got out of the vehicle. From the distance of 6-7 meters, Mithat Mulaefendić shot from an automatic rifle in the direction of [REDACTED] and hit him in the left temple. Due to the shots, [REDACTED] fell down on the ground. Mithat Mulaefendić approached him and shot a bullet straight at his head, at his nose, whereafter Enis Sijamija, Mithat Mulaefendić and Sabahudin Gazić returned to the vehicle where Abdulah Duvanjak was waiting for them and returned to Bugojno taking the same way. The mortal remains of [REDACTED] were exhumed in August 1998 in Bugojno, whereas the mortal remains of [REDACTED] have not been found to date.

2. in KSC in Bugojno

During the period between 27 August 1993 and about 10 September 1993, Enes Handžić ordered members of the military police of the 307th Brigade of the ARBiH and members of the Military Security Service of the 307th Brigade of the ARBiH to examine the detainees [REDACTED] on the KSC premises where they incarcerated and held detained the injured members of the 52 Home Guard Regiment of the 4th Brigade of "Stjepan Radić" HVO, by resorting to all means to gain the information. Sometimes he himself examined the detainees. Members of the Military Police and members of the Military Security Service of the Bugojno ARBiH repeatedly abused the detainees [REDACTED] beating them all over their bodies.

although they were severely wounded, and despite their state of health, they examined them on a number of occasions on HVO front lines, HVO membership, weapons in possession of the HVO. On around 10 September 1993, they took them under escort to the camp of the FC *Iskra* Stadium and detained them there.

a) During the period between 18 July 1993 and 25 August 1993, Senad Dautović ordered and approved the members of the Bugojno SJB to incarcerate on the premises of the Bugojno SJB, more specifically, on the premises for lockup - custody - located in the basement of the Bugojno SJB and hold detained there the captured civilians of Croat ethnicity and members of the HVO civil police who did not have adequate food, water and standards of hygiene, and then they took them under escort to the premises of the

Gymnasium in Bugojno in which the Centre Police Station of the Bugojno Public Security Station was based, and detained them on the basement premises of the Gymnasium where a large number of civilians of Croat ethnicity had already been detained.

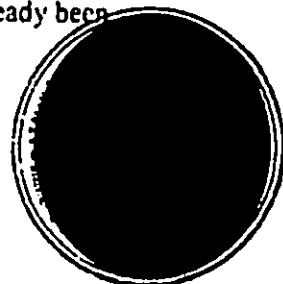

b) During the same period as in the previous Count, members of the Bugojno SJB took detained civilians of Croat ethnicity and members of the HVO civil police out of the lockup premises - custody of the Bugojno SJB and brought them to the premises of the Bugojno Health Centre where they forced them to give their blood for the needs of the injured members of the Bugojno ARBiH, Bugojno SJB and Bugojno Defence Staff. Thus, they took away [REDACTED] and other detainees. Nurses at the Health Centre took blood from the detainees brought against their will and thereafter the detainees were returned to the makeshift custody premises of the Bugojno SJB and detained there again,

c) During the period between 18 July 1993 and early November of the same year, Bugojno SJB members examined the detained civilians and members of the HVO civil police on the Bugojno SJB premises, on which occasion they exerted pressure on the detainees in many different ways by using threats and curses to admit particular facts. They were even beating some of them, like [REDACTED] in order to achieve their aim,

2. in Gymnasium in Bugojno and in Health Care Centre - Bugojno War Hospital

a) During the period between 18 July 1993 and about 8 October 1993, Senad Dautović ordered and approved the members of the Centre Police Station of the Bugojno Public Security Station, which was based in the Gymnasium building in Bugojno, and Bugojno SJB to incarcerate and hold detained on the unfit and small basement premises, in the gym of the Gymnasium building, and on other premises of the Gymnasium the civilians of Croat ethnicity and HVO members, including members of the HVO civil police, the total of 100 detainees, who did not have adequate food, water, light, ventilation, free access to toilets and who were deprived of the possibility to maintain personal hygiene,

b) During the latter half of July 1993, more specifically, after 18 July 1993, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB, including the Commander of the Centre Police Station Besim Hodžić aka Besko and his deputy Nijaz Bevmja, formed a gauntlet in the hall of the Gymnasium in such a way that they lined up on both sides from the entrance into the Gymnasium building to the entrance into the basement premises of the Gymnasium, leaving a passage between, and they ordered [REDACTED] to start walking through the passage, which [REDACTED] did. Then, they started kicking [REDACTED], punching him, striking him with rifle butts and with different objects all over his body. Due to those blows [REDACTED] kept on falling down on the ground, and they ordered [REDACTED] to stand up and move on towards the basement premises and in doing so they continued striking [REDACTED] which [REDACTED] did, and at one moment, due to the great number of blows received, he lost his consciousness, but they recovered [REDACTED] and pushed him down the stairs into the basement premises of the Gymnasium, and thus they detained [REDACTED] with obvious injuries all over his body with the other detainees of Croat ethnicity who had already been detained there,

c) During the same period and in the same place as in the previous Count, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB on a number of occasions took ██████████ out of the basement premises on which he was detained and brought him to the gym of the Gymnasium where up to 10 of them kicked ██████████ ██████████ punched him, struck him with batons, billiard cues, telephone cables all over his body. Due to those blows, ██████████ kept on falling down on the floor, and on one occasion, they poured petrol on ██████████ and threatened him that they would light him unless he told them particular pieces of information. Thereafter, they detained ██████████ with obvious injuries all over his body on the Gymnasium basement premises again,

d) On 23 July 1993, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB formed a gauntlet in the hall of the Gymnasium in such a way that they lined up on both sides of the entrance into the Gymnasium building to the entrance into the Gymnasium basement premises, leaving a passage between. They ordered the Witness "B" to start moving through that passage, which the witness "B" did. They started kicking the Witness "B", punching him, striking him with rifle butts and different objects all over his body, and due to those blows the right clavicle of the Witness "B" broke. They struck the Witness "B" in the kidney area and, at one moment, one member of the Bugojno SJB kicked the Witness "B" in his stomach and cut his stomach on that occasion so his intestines dropped out of his stomach so the Witness "B" had to hold the intestines in his hands. Thereafter, they pushed the Witness "B" down the stairs into the Gymnasium basement premises and thus detained the Witness "B" with the other detainees of Croat ethnicity who had already been detained there,

c) /sic/ On 25 July 1993, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB formed a gauntlet in front of the Gymnasium building by lining up on both sides of the entrance into the Gymnasium building, leaving a passage between. They ordered the captured civilians of Croat ethnicity and HVO members who surrendered the weapons and themselves to the ARBiH and who were brought from the *Stipo Derek* Primary School to run the gauntlet and then they started punching the prisoners, kicking them and hitting them with rifle butts and other objects all over their bodies, and thereafter they incarcerated the prisoners in the gym of the Gymnasium,

e) On 19 July 1993, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB incarcerated ██████████ on the basement premises of the Gymnasium in Bugojno. On the same date, two Bugojno SJB members, with caps on their heads, came downstairs into the basement premises where ██████████ was detained. They started punching him, kicking him and hitting him with rifle butts all over his body. Due to those blows, ██████████ lost his consciousness. He did not recover until the next day while lying in a hospital bed of the Bugojno Health Centre. During the medical treatment of ██████████ and other injured prisoners of Croat ethnicity, including ██████████ until approximately October 1993, members of the Bugojno SJB, Bugojno ARBiH and civilians of Bosniak ethnicity stormed into the patients' room where there were the injured detainees and they abused them physically and mentally, punching them, kicking them, hitting them with rods, pistols, and with blunt objects all over their bodies. They pulled out a drain from ██████████ wound and made him drink the liquid from the drain,

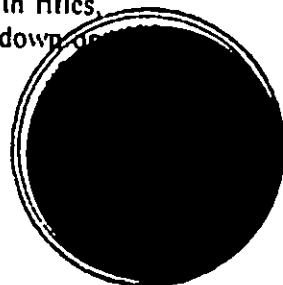

f) During the period from 18 July 1993 to 8 October 1993, members of the Centre Police Station - Bugojno SJB and other members of the Bugojno SJB took the prisoners of Croat ethnicity who were detained on the Gymnasium premises to the basement or to other Gymnasium premises and they punched them, kicked them, hit them with batons and other objects all over their bodies. Due to those blows, the detainees sustained obvious injuries. [REDACTED] and the other detainees were beaten up in that way.

g) During the same period as in the previous Count, [REDACTED] ordered and approved the Bugojno SJB members to take out of the Gymnasium basement premises the detainees of Croat ethnicity and to take them for the forced labour in Bugojno and the settlements around Bugojno. The forced labour implied collecting the corpses of the murdered ARBiH members, civilians of Bosniak ethnicity, HVO members and civilians of Croat ethnicity, digging up graves for the corpses found and burying the corpses found, and performing different other physical works for the needs of the ARBiH and Bugojno civil authorities. Thus, [REDACTED] and other prisoners were taken for the forced labour,

h) During the period between 18 July 1993 and about mid-September of the same year, Bugojno SJB members, including Nihad Šabić, took out of the Gymnasium basement premises the detained civilians of Croat ethnicity and members of the HVO civil police and brought them to the Bugojno Health Centre premises where they made them give their blood for the needs of injured members of the ARBiH and Bugojno SJB. Thus, they took away [REDACTED] and other detainees. Nurses at the Health Centre took the blood from the detainees brought against their will. They did not take blood from [REDACTED] only because he had had jaundice. After the blood had been taken from the detainees, they were returned to the Gymnasium unfit basement premises and detained there again.

i) During the latter half of July 1993, more specifically, after 18 July 1993, Bugojno SJB members apprehended the captured [REDACTED] on the premises of the Bugojno Agricultural Co-operative where there was a Bugojno SJB special unit, more specifically, in the Nihad Šabić's office. Nihad Šabić abused [REDACTED] threatening him in different ways and cursing him. He even threatened him that he would slit his throat with a knife. The purpose of all of that was to obtain information on the weapons which [REDACTED] did not possess. Thereafter, members of the SJB Bugojno took [REDACTED] under escort to the Gymnasium building and incarcerated him on the basement premises together with other prisoners of Croat ethnicity who had already been detained there.

j) During the same period as in the previous Count, members of the Centre Police Station - Bugojno SJB ordered [REDACTED], who were brought into the Gymnasium premises from the building of the Bugojno Territorial Defence Staff, to turn their faces towards a wall and to put their arms on the back of the head, which the detainees brought did, whereafter members of the Centre Police Station - Bugojno SJB started hitting [REDACTED] with rifles, kicking and punching them. Due to those blows, the detainees kept on falling down on

the floor and the members Centre Police Station - Bugojno SJB proceeded beating them while they were lying on the floor, and then they ordered them to stand up and go down to the Gymnasium basement premises. Thus, they incarcerated [REDACTED] with other detainees of Croat ethnicity who had already been detained there.

k) In early August 1993, members of the Centre Police Station - Bugojno SJB took the detainees [REDACTED] out of the Gymnasium basement premises where they were detained and led them under escort to a room of the Gymnasium where they tied the detainees to radiators with police handcuffs. They kept them thus tied about three days without food. During that period, they repeatedly abused them mentally and physically every day, beat them, made them sing songs. Three days later, the detainees [REDACTED] managed to remove the handcuffs from their hands and flee, whereas [REDACTED] did not dare and were not able to flee. Some time later, [REDACTED] informed members of the Centre Police Station - Bugojno SJB that [REDACTED] had fled, so that members of the Centre Police Station - SJB Bugojno beat them up as they were infuriated and mad with the flight of the detainees,

RESULT OF THE INVESTIGATION

Based on the evidence collected by this Prosecutor's Office during the investigation, it unequivocally ensues that the suspects Enes Handžić and Senad Dautović committed the foregoing criminal actions at the time and in the manner described in the operative part of the Indictment. Those actions include all the essential elements of the criminal offence of War Crimes against Civilians in violation of Article 173 (1) a), c), e) and f) of the BiH CC, War Crimes against the Wounded and Sick in violation of Article 174 (1) a) and b), and War Crimes against Prisoners of War in violation of Article 175 (1) a) and b), all in conjunction with Article 180 (1) and (2) and Article 29 of the BiH CC.

Pursuant to Article 8 of the Decree Law on Defence ("Official Gazette of RBiH", Number: 4/92) and on the proposal of the Main Staff of the Armed Forces of the Republic of Bosnia and Herzegovina, the Presidency of the Republic of Bosnia and Herzegovina passed the Decision on Declaring the State of War in the session held on 20 June 1992. By this Decision the state of war was declared in the territory of the Republic of Bosnia and Herzegovina. The Decision on Declaring the State of War was

promulgated in the "Official Gazette of RBiH", Number: 7/92 and it became effective on the date of its promulgation.

At the relevant time, there existed an armed conflict between the Army of the Republic of Bosnia and Herzegovina and the Croat Defence Council in the area of the Bugojno Municipality and the neighbouring Gornji Vakuf/Uskoplje Municipality, which arises from the evidence collected by this Prosecutor's Office during the investigation. It ensues both from the material evidence collected and the statements of the witnesses heard at the Prosecutor's Office of Bosnia and Herzegovina that the direct armed conflict began in the area of the Bugojno Municipality on 18 July 1993. Afterwards, the ARBiH launched an attack on HVO positions in Bugojno. That attack was not only limited to the HVO positions, given that many civilians of Croat ethnicity were deprived of their liberty at their houses and were incarcerated.

The existence of the armed conflict at the referenced area is, among the others, confirmed by the proposed material evidence including the Interim Report of the operative body of the Joint Command of the Army of Bugojno Number: 02/788-6 of 11 July 1993, Combat Report of the Military Police of the 307th Motorized Brigade for the period from 18 July 1993 to 31 July 1993 Number: 1100-1083/93 of 10 August 1993, Daily Operations Report of the *West* Operations Group Command Strictly confidential No. 04/516-93 of 23 July 1993, Daily Operations Report Strictly confidential No. 04/521-93 of 24 July 1993, Daily Report of the Press Centre of the 3rd Corps dated 25 July 1993, Regular Combat Report of the Defence Staff of the Bugojno Municipality Number: 02-263-80 of 26 July 1993, Regular Combat Report of the Defence Staff of the Bugojno Municipality Number: 02-263-83 of 27 July 1993.

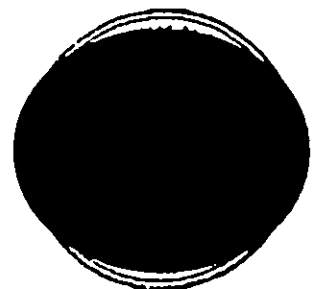

By Paragraph 54 of the Hague ICTY final Judgment in the "Jelisić" Case Number: IT-95/10 it has been *inter alia* found that mentioning the civilian population has the aim to put an accent on the collective aspect of the criminal offence more than on the status of the victim, in other words, that the concept of the civilian population must even cover all the persons who carry arms or who had carried arms but were not, strictly speaking, included in military activities. In the referenced Case, the ICTY Trial Chamber has concluded that the concept of civilians, strictly speaking, covers in addition all the persons who were outside the combat formation when the criminal offence was committed. The victims of the acts with which the suspects are charged in the operative part of the Indictment were, however, both the injured and the sick, and many acts were committed directly after the HVO members had surrendered their weapons and themselves, which clearly arises from the statements of the witnesses examined.

By the review of the statements of the witnesses examined, a conclusion can clearly be drawn that the majority of those witnesses were direct or indirect victims of the criminal acts perpetrated by the suspects, whereas the remaining witnesses were, at the time of the perpetration of the acts, under the command of the suspects. The majority of the witnesses confirm the participation, and knowledge, of the suspects in the acts described clearly and unequivocally in the operative part of the Indictment. The statements of the witnesses are also confirmed by the material evidence which, in turn, confirms the participation of the suspects in the criminal acts and, at the same time, the status and the position of the suspects at the time of the perpetration of the acts, which unequivocally confirms the existence of the criminal offences and the criminal responsibility of the

suspects. That evidence clearly indicates that the acts with which the suspects are charged may be characterized as the acts of carrying out the joint criminal plan aimed at the perpetration of the criminal offences referred to in the operative part of the Indictment against the persons of Croat ethnicity, and that the suspects, together with other persons, had a joint intention and goal within that criminal plan, which unequivocally confirms the existence of the joint criminal enterprise and the fact that the suspects acted as a part of the joint criminal enterprise directed exactly on the perpetration of the criminal offences against the persons of Croat ethnicity in the territory of the Bugojno Municipality.

Taking into account the above mentioned I consider that it can be concluded beyond any doubt that the suspect Enes Handžić, as the Assistant Commander for security of the 307th Brigade of the ARBiH, and the suspect Senad Dautović, as the Commander of the Joint Command of the Bugojno Army, Chief of the Bugojno Public Security Station, and the Assistant Commander for security of the *West* Operations Group, personally participated, planned, initiated, committed, incited and aided in the preparation and commission of the criminal offences reflected in the unlawful incarceration of people of Croat ethnicity in basements, garages and private houses in the settlement of Donjići, in the *Stipo Derek* Primary School, on the Bugojno Municipality premises, in the *Marxist Centre - Nuns' Cloister*, in the *Vojin Paleksić* Primary School, in the *Slavonija Wood Industry* Furniture Showroom, in the Bugojno Culture and Sports Centre, on the Gymnasium premises in Bugojno, in the Health Care Centre – Bugojno War Hospital, in the *FC Iskra Stadium* Camp and on the Bugojno BH Bank premises. The suspects were responsible for the operation of those facilities in which the incarcerated persons were unlawfully detained, exposed to physical and mental abuse and torture, murdered, taken for forced labour during which many were killed or injured, and exposed to inhumane treatment. At the same time while they were incarcerated at those places, they were deprived of the possibility to satisfy their fundamental hygienic needs, and also suffered from starvation and were deprived of the possibility to receive necessary medical care, that is, they were kept detained under inhumane conditions. The suspects are also responsible as superiors and responsible persons for the acts and actions which were taken by their subordinates and the other persons for whom they were responsible and which also refer to the criminal acts against the persons of Croat ethnicity at the referenced places of detention, given that the suspects failed to take necessary and reasonable measures to prevent the perpetration of those criminal acts against the detained civilians, nor did they take any measures in order that the perpetrators of those acts be punished, although the pieces of evidence which are attached to this Indictment clearly prove that they could have done so.

Following the analysis of pieces of evidence collected during the investigation, both individually and in their correlation, we consider that there is sufficient evidence based on which the grounded suspicion arises that the suspects Senad Dautović and Enes Handžić committed the criminal offences of War Crimes against Civilians in violation of Article 173 (1) a), c), e) and f) of the BiH CC, War Crimes against the Wounded and Sick in violation of Article 174 (1) a) and b), and War Crimes against Prisoners of War in violation of Article 175 (1) a) and b), as read with Article 180 (1) and (2) and Article 29 of the BiH CC, so we propose that the Preliminary Hearing Judge of the Court of BiH confirm this Indictment.

MOTION FOR THE EXTENSION OF CUSTODY

Pursuant to Article 227 (3) in conjunction with Article 137 of the BiH CPC, should the Court confirm this Indictment, I move that it extend the custody of the accused Enes Handžić and Senad Dautović because there exist special pre-trial custody grounds referred to in Article 132 (1) b) and d) of the BiH CPC, as we have found that there still exist all the reasons for custody which existed at the time when the Decision to order the custody and to extend the custody during the investigation was rendered.

In the referenced Indictment the Prosecutor's Office of Bosnia and Herzegovina proposed that a large number of witnesses - detainees from the basements, garages and private houses in the settlement of Donjići, the *Stipo Đerek* Primary School, the Bugojno Municipality premises, the *Marxist Centre* - Nuns' Cloister, the *Vojin Paleksić* Primary School, the *Slavonija Wood Industry* Furniture Showroom, the Bugojno Culture and Sports Centre, the Gymnasium premises in Bugojno, the *FC Iskra Stadium* Camp and the Bugojno BH Bank premises, be heard before the Court of Bosnia and Herzegovina at the main trial, as well as a number of witnesses who were under the command of the accused persons at the material time, that is, the witnesses who were heard during the investigation at the Prosecutor's Office. All of those witnesses proposed in the Indictment should give their testimonies before the Court of Bosnia and Herzegovina without any pressure exerted on them and without fear of possible consequences that may follow on

from their testimonies. The majority of the proposed witnesses currently live in the territory of the Bugojno Municipality, in the immediate vicinity of the accused persons and members of their families. Also, as it has already been expressed in the motions for the ordering and extension of custody of the then suspects, and according to reports of authorized official persons of the State Investigation and Protection Agency (SIPA), the witnesses in this case fear for problems and consequences they would face should they testify in this case. In this regard, we repeatedly refer to the Official Note of the State Investigation and Protection Agency Number: 17-04/2-04-2-43/06 of 4 May 2006 reflecting the particular danger the potential witnesses in this case are exposed to. Further, it can also be concluded beyond any doubt from the Witness Examination Record Number: 17-04/2-04-2-315/06 of 16 May 2006 that the witnesses in this case are exposed to direct threats, both the witnesses and their families, which is at the same time confirmed by the statement of the witness [REDACTED] in the referenced record. The witness [REDACTED] refused to testify in this case for the reasons of fear. Likewise, the statement of the witness [REDACTED] also shows evident fear felt by the witness in this case. In this case, the Prosecutor's Office also proposed the examination of witnesses who were granted specific protection measures by the Court of BiH, more specifically, the examination of the witnesses "A", "B" and "D". The averments of the Witness "A", who was both attacked and injured in Bugojno only because he is a Croat and whose family was also attacked and threatened on a number of occasions, confirm all the aforementioned, which the Court may find out by reviewing the Record of the examination of the witness "A". In the Preliminary Motions concerning the custody, the Prosecutor's Office mentioned a potential witness who is an active police officer and who, according to our information, was tortured during the captivity and from whom blood was forcibly taken. However, although this witness is an active police officer, the Prosecutor's Office did not manage to examine him, because of the fear the Witness feels should he testify in this case. He provided detailed reasons in a letter included in the case file. We especially stress that the majority of witnesses, who were proposed in the Indictment, are so to speak the neighbours of Senad Dautović and Enes Handžić since Bugojno is a small town and given the proximity of Donji Vakuf: those witnesses are trying to live a normal life after their return to their pre-war homes. We opine that, should the accused persons be released, the feeling of insecurity would be evoked and strengthened in them, and they would certainly be exposed to influence, which by all means would reflect on their testimony at the main trial in this case.

By conducting the investigation of the accused Senad Dautović and Enes Handžić, the Prosecutor's Office of BiH obtained evidence confirming that the accused Enes Handžić, in 1994, together with another person, took from the safe of the Military Security Service of the *West* Operations Group of the Army of the RBiH the body of documents of the Military Security Service of the *West* Operations Group, and that in 1993, the accused Senad Dautović took over from Kemal Džafić the particular documents of the units of the RBiH Army. During the investigation, the authorized official persons of the State Investigation and Protection Agency (SIPA), under the order of the Court of BiH, made the search of the facilities owned by the then suspects Senad Dautović and Enes Handžić, as well as the other facilities in the territory of the municipalities of Bugojno and Zenica, on the occasion of which the particular documentation was seized. The Prosecutor's Office of BiH has opened those temporarily seized items. However, the seized items did not include the documentation which the accused persons had beyond doubt possessed in 1993 and 1994. This Prosecutor's Office did not manage to obtain the

documentation during the investigation of the accused Enes Handžić and Senad Dautović. Given that the accused are now even more aware of the gravity of the offences they are charged with, the Prosecutor's Office of BiH still believe that, should the accused be released, they would destroy, conceal or forge the evidence relevant to the criminal proceedings, all with the aim of evading or diminishing their criminal responsibility.

Also, we note that this Prosecutor's Office, in respect of the referenced criminal offence, is conducting an investigation of other co-perpetrators who are still at large. Given the offences they are charged with, and given that they committed those offences within the Joint Criminal Enterprise, we consider that, should the accused be released, they would quite certainly contact those co-perpetrators who, at the time of the commission of the offences, were either superior or subordinate to the accused Senad Dautović and Enes Handžić, all with the aim of evading or diminishing the criminal responsibility. Thus, they would positively imperil and hinder the further conduct of these criminal proceedings which have been successfully conducted so far.

Bearing in mind all the above mentioned, the Prosecutor's Office of BiH finds that there still exist circumstances and grounded fear indicating that the accused, if released, would destroy, conceal or forge the evidence relevant to these criminal proceedings and also because the particular circumstances indicate that the accused would hinder the criminal proceedings by influencing the witnesses and co-perpetrators; these circumstances prove that the extension of custody of the accused for the reasons stipulated in Article 132 (1) b) is justified.

The Prosecutor's Office of BiH further finds that there still exist the circumstances indicating that the custody measure concerning the accused is still necessary also for the existence of custody reasons referred to in Article 132 (1) d) of the BiH CPC. The accused Enes Handžić and Senad Dautović are charged with the criminal offences for which the sentence of imprisonment of at least ten years or a long-term imprisonment is prescribed. Bearing in mind the gravity of the criminal offences committed the accused are charged with as well as the consequences thereof, and especially the fact that those are acts which were committed as a part of the Joint Criminal Enterprise and that they are aggravated offences including murders, abuse of civilians, prisoners of war and injured and sick persons, and the cruel treatment of them in the camps in the area of the Bugojno Municipality where the majority of victims and witnesses and members of their families currently live, and especially bearing in mind the serious consequences of the referenced crimes which are undoubtedly still felt among the victims and their families, it may be concluded that the extension of custody is still necessary for the safety of the citizens. In the aftermath of the war in Bosnia and Herzegovina, the accused held high-ranking positions and executed very responsible duties in the Ministry of the Interior of the Canton of Central Bosnia. At one time, the accused Enes Handžić was even the Minister of the referenced Ministry, and was even the Chief Federation Inspector in the Ministry of the Interior of the Federation of Bosnia and Herzegovina, whereas the accused Senad Dautović was the Chief of the Bugojno Police Department. Given the aforementioned facts, given the referenced SIPA documents, and given the referenced statements of the witnesses, we are still of the opinion that the Court can undoubtedly conclude that the victims of the referenced criminal offence still feel a great fear and that they are exposed to constant threats, even attacks, and thus, by releasing of the accused, the feeling of being endangered would remain to exist and would strengthen in many victims of this

crime, as well as in their families, as it would strengthen the rancour in the whole of the Croat population that have returned and that has the intention to return to Bugojno to continue to live a normal life in the territory of the Bugojno Municipality. We particularly consider that the releasing of the accused under such circumstances would quite certainly affect the trust of the citizens and victims in the judicial system of Bosnia and Herzegovina. Because of all the aforementioned we consider that all the requirements for the extension of custody of the accused persons provided for in Article 132 (1) d) of the BiH CPC are still fulfilled.

On the basis of all the aforementioned, we consider that the grounds for the extension of custody of the accused Enes Handžić and Senad Dautović have been met, as stipulated in Article 132 (1) b) and d) of the Criminal Procedure Code of BiH, for which reason I propose that the Preliminary Hearing Judge of Section I for War Crimes of the Criminal Division of the Court of BiH grant the Motion of the Prosecutor's Office of BiH for the extension of custody and extend the custody of the accused persons pursuant to the BiH CPC.
