

## Become a contributor

**The Asser International Sports Law Blog welcomes guest contributions. Before submitting a contribution, please make sure your contribution fulfils all the requirements listed below.**

We welcome contributions on the legal aspects of sports. In principle, all contributions should be original, i.e. they should not have been published elsewhere prior to submission. Most of our published blogs are on one of the following topics:

- European competition law and sports
- EU internal market law and sports
- Arbitration and alternative dispute resolution mechanisms in international sport (e.g. CAS, FIFA DRC Proceedings)
- WADA anti-doping rules and proceedings
- Labour law in sport

Of course, this list is not exhaustive. The editors will consider contributions on other international sports law-related subjects.

### **Length**

All blog submissions are to be between 1500 and 3000 words. Blog submissions that are longer than 3000 words can be divided in two or more separate blogs, subject to the editors' approval.

### **Language requirements**

All blog submissions are to be written in English. We advise all non-native English contributors to have their contributions proofread prior to submission, to ensure the language of the text is accurate, fluent and free of error.

### **Reference requirements**

References to book, book chapters or academic articles have to be made using footnotes. The format of the footnotes has to be in accordance with the Oxford Standard for Citation of Legal Authorities 2006 (OSCOLA). See [https://www.law.ox.ac.uk/sites/files/oxlaw/oscola\\_2006.pdf](https://www.law.ox.ac.uk/sites/files/oxlaw/oscola_2006.pdf). Footnotes to books, book chapters or academic articles available online may include a hyperlink.

References to websites, press articles or blogs should be made preferably in the text using hyperlinks.

### **Post image requirements**

Authors may include images in their submission. Please note that all images have to be properly attributed with a link to the original author/website (not sure whether this is correctly stated). All images are to be attached separately in JPEG format.

### **Our editorial policies**

All contributions will be reviewed by one or more editors of the Asser International Sports Law Blog. The editors retain the right to reject submissions.

### **How to submit**

All submissions to the Asser International Sports Law Blog should be made electronically, in MS Word (no PDF's), e-mailed as an attachment to Antoine Duval ([a.duval@asser.nl](mailto:a.duval@asser.nl)) or Oskar van Maren ([o.van.maren@asser.nl](mailto:o.van.maren@asser.nl)). A brief author's biography of no more than five sentences is also required.
