Summer Programme on International and European Environmental Law: *The Future We Choose*

In light of the International Climate Conference "Paris 2015", this year's Summer Programme will discuss the best way forward to protect and preserve our environment for present and future generations.

Do you want to take part in the discussion on climate change and other important environmental issues?

Join us this summer in The Hague!

Fee: € 1495
Organiser: T.M.C. Asser Instituut, EEL Network & HELF
Registration: www.asser.nl/SummerProgrammeEEL
