Registration and Payment Conditions

A registration form constitutes a legally binding agreement; registration obliges you to pay the stated amounts. Payment must be made and received in full before January 3rd, 2013. Payment can be made by bank transfer. The institute cannot be held responsible for the non-arrival of registration information. If you have not received a confirmation of your registration 7 days after you made the registration, please contact the conference manager at conferencemanager@asser.nl

Cancellations and Non-Attendance

Cancellations will only be accepted if submitted by e-mail at conferencemanager@asser.nl one week prior to the conference (January 3rd, 2013). In this case the obligation to pay the fee is lifted, and if payment is already been made, the money will be refunded, minus an administrative charge of €25. Cancellations made after the 3rd of January or non-attendance of the event, for whatever reason, does not invoke the obligation to pay the registration fees, hence no refunds will be made. However, the name of a registration can be changed without any charge.

Security and Identification

All participants' names will be checked upon arrival. This means we cannot accept last-minute registration. The last day of registration will be Thursday 20 December.

Insurance

The T.M.C. Asser Instituut cannot be held liable for personal injuries or for loss and/or damage to the personal belongings of participants either during or as a result of the conference.
