The Centre for the Law of EU External Relations (CLEER) is hosted by the T.M.C. Asser Instituut in The Hague, The Netherlands.
Founded in 2008, the Centre for the Law of EU External Relations (CLEER) is the first authoritative research interface between academia and practice in the field of the Union’s external relations. CLEER serves as a leading forum for debate on the role of the EU in the world, and engages its extended network of partner institutes throughout Europe in its various activities (research projects, conferences, publications etc...).
